

NEFA Convention report 3/27

I would like to thank the area for allowing me to serve and taking it easy on me for the most part. I would also like to thank everyone that served on the board with me and made this a fun experience for the last year in spite of many different challenges we had fun, I would also like to thank everyone who helped make this convention a success from the subcommittee members to the secretary and speakers as well as the 376 who registered and the 730 or so newcomers who got a chance to experience there first convention thank you. We are currently having our taxes done and the books have been audited by fellow na member Brenda. Before taxes we cleared about \$1443.
