

Northeast Freedom Area Convention 2014 Report

May 22, 2013

Theme: We are currently accepting themes for the 2014 convention. There is a flyer for theme submission on the table. Please ask our members to submit themes to me via phone or email. Once we have a theme we will seek artwork.

Location and date: Best Western Plus at The Baltimore Travel Plaza. March 7, 8, 9, 2014

Registration: We plan to broaden our recruitment of attendees to attract a greater turn out. With this new venue, there should be no risk of having to restrict attendance.

Entertainment: Will be similar to last year. We will have Karaoke as requested. We may be able to have additional entertainment because we should have more space than previous years. We will pursue Mickey for comedy again, and Great Train Robbery for a live music show. There will be Dinner theater tickets available at a discount price; those details will be more evident once the convention draws closer.

Hospitality: is working on having some pinochle tournaments and possibly some open jam sessions for musicians

Programming: Currently working on workshop topics and speaker commitments.

Positions: We currently have no positions open. Every committee is in need of support, there is a flyer available detailing when and where they meet.
