- **Filled/voted in people for these openings:**

The Northeast Freedom Area H&I Subcommittee is always in need of volunteers as we are constantly expanding and filling requests for meetings to be taken into hospitals and institutions throughout our area. We ask that everyone here please relay this plea to your home groups and other meetings that you attend. Remember that “We can only keep what we have by giving it away”! There are countless suffering addicts who need to hear the NA message of experience, strength and hope.

With 90 days clean time, a member of NA can go into most of the facilities that we currently serve. Anyone who wants to go into the jails has to fill out a form to be cleared and has to be off of probation/parole for at least 2 years. WE ARE ASKING PEOPLE TO HELP BY “GIVING IT BACK”!!!

We highly encourage anyone who is unable to take on a commitment as a panel leader to please consider going in as a speaker to any of our (non-DOC) facilities.

If you are interested in H&I service work or want to learn more about what the H&I subcommittee does, please join us on Wednesday, October 3, 2018 at our subcommittee meeting (held at 7:00pm on the first Wednesday of every month).

Thanks to all of our panel coordinators, panel leaders and speakers for their invaluable service.

Respectfully submitted to the Northeast Freedom Area Service meeting on September 26, 2018.
