**Old business**

We are still in need of 12 step members for the NEFA area. A 12 step member consist of having working knowledge of the 12 steps. We do not give out 12 step member phone numbers we do not ask or expect 12 step members to pick up people. the purpose of a 12 step call is following

one it keeps hotline free for incoming calls

It gives the caller time with someone with more knowledge and experience of NA.

!2 step call is for someone struggling and needs someone to give them a shot of hope.

**Asking all GSR to go back to your hg get at least one male and one female members name and phone number to be added to our 12 step list. This is very important part of the hotline. Requirements are one yr or more and knowledge.**
