As you all know on July 1, 2018 World is increasing the prices on all literature. I have reviewed the price increases on the NAWS bulk order form that I was given by the Service Center and made the necessary changes to our order forms. I met with Time Printers yesterday to go over the changes and they are sending me a proof for final approval. Once I approve the final draft I will place an order for 500 forms. **Please note that the order forms you are using tonight will be obsolete next month. Please discard all other order forms you may have at your home groups.**

The Literature Committee is always in need of trusted servants. Most positions have no clean time requirement. Please announce this at meetings! We have really been struggling to keep a committee going.

Reminders

- * Please submit all orders **no later than 7:30**;
- * Please **check your order before you leave**; and
- * The Literature Committee respectfully requests that no one enter the Literature area. If you have an issue, please feel free to contact one of our many Members who will be floating around Area Service throughout the evening.

In grateful service,

Melissa B.
