A spreadsheet is attached which details all inventory on hand prior to tonight's ASC. On May 19, 2018 an inventory was taken of all literature on hand. Thank you to all who showed up and made it a quick, smooth process! I have also added the literature that was purchased this month to that inventory. In compliance with policy the Literature Subcommittee is permitted to carry \$6,500.00 of literature in inventory. Our current total literature on hand is \$6,547.00 and I'm happy to report that's only \$47.00 above that mark! I will subtract the \$47.00 from proceeds this evening for next month's order.

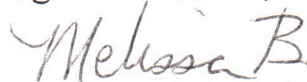

I spoke to Ellin at the service center and we are still awaiting the price increases to come from World. Once she has the changes made to the bulk order form, I will make the changes to our order form and have Time Printers print new order forms. I am expecting this to happen some time in July or August.

The Literature Committee is always in need of trusted servants. Most positions have no clean time requirement. Please announce this at meetings! We have really been struggling to keep a committee going.

**Reminders**

- \* Please submit all orders **no later than 7:30**;
- \* Please **check your order before you leave**; and
- \* The Literature Committee respectfully requests that no one enter the Literature area. If you have an issue, please feel free to contact one of our many Members who will be floating around Area Service throughout the evening.

In grateful service,

Melissa B.
