

# NEFA Convention report 12/26

We have 4 openings on the board so if anyone is interested please let me know. We need any one who would like to get registered to please do so. If you would like me or someone from the registration committee to come to your meeting please call me at 410-365-9750. We also need any one who plans on staying at the hotel to please reserve rooms so we can get credit for your room. We need help for the hospitality committee at the convention ( hug squad, information desk, hospitality room ). Thanks for your support.
