The sub-committee discussed three possible hosting options for the site. Blue Host, Host Monster and Go Daddy. It was suggested by Matt to go with a company that provides both the host and domain. The committee decided to go with Go Daddy and Stan is to contact them for updated pricing to take back to the ASC.

The sub-committee discussed whether we should have the site copyrighted for protection. It was agreed by the sub-committee to go ahead and have the site copyrighted.

Survey for the area. It was discussed and determined to only ask the Area to participate in selecting a “Theme” for the site. The sub-committee should do all other operations and creation of the site. Stan will make an announcement at the next ASC and request that themes be brought back to the November ASC meeting.

A domain was discussed and we came up with four options, which are as follows:

NEFANA.org  
NEFA-NA.org  
NEFREEDOMNA.org  
NORTHEASTFREEDOMNA.org

The committee chose to go with NORTHEASTFREEDOMNA.org and Stan will check on the availability of this domain.

Discussion took place to determine a solid meeting place and time that was accommodating for the sub-committee. It was decided to hold the web site sub-committee meeting the first Thursday of every month at 7:00 p.m. at Life Bridge Church in Rosedale. Also, this will allow the Web-Master to make any updates or changes to the site immediately following the ASC meeting.
