

Public Information Report for ASC
January 2010

We would like to share some information regarding Public Information and what we do with the area. This information is from the Guide to Public Information.

- What is it?
Public Information is informing the public about recovery from addiction through the 12 Steps and 12 Traditions of Narcotics Anonymous
- Who does it?
Public Information work is accomplished through service committee directly responsible to those they serve. PI committees provide community awareness of what NA is, as well as how, when and where we are available.
- How does it get done?
We get the job done by establishing clear guidelines for our subcommittee, setting goals, prioritizing tasks, adhering to our 12 Traditions and a lot of hard work.

We met in December before area service. We are continuing to work hard on getting literature out there to the public. During the month of January we have established that we will need to get literature to all Baltimore County police stations, which we will divide at our January meeting (tonight).

I have sent several emails regarding upcoming fairs. If anyone knows of any upcoming fairs or community events, please let us know so that we can work on getting a booth there.

We placed a motion in December for the purchase of racks, that motion was passed. We are getting those racks filled and to the appropriate facilities.

We are always open for new members. We meet before area service at 6pm. All are welcome. Again this is a big area and takes lots of work and people to get our message to the public.

In Loving Service,
Jenn
