

NEFA of Narcotics Anonymous  
Report for area January 2012

We met in December prior to area service.

We continue to need support; we meet every month prior to area service at 5:30pm. All are welcome. No clean time needed, just a desire to serve. We will begin doing a review and showing new GSR's what to do and expect at area service in January. Please share this with your home groups.

I update our free ads on the internet. As of now there are ads on Craigslist, USNetADs and the Baltimore Guide.

I have heard back from the City paper and received a price list so our committee will be reviewing the information and we will keep the area informed.

We continue to try to get a spot in the Dundalk Eagle and Essex Times but since these are free services we are not guaranteed a spot in them.

All the racks are filled to date.

Budget to Date:

We placed a literature order of \$500.00 for December and we did not spend any of our December expense budget which is \$250.00

Again, we continue to need support.

In Loving Service,
