

NEFA of Narcotics Anonymous
Report for area December 2011

We met in November prior to area service.

We continue to need support, we meet every month prior to area service at 5:30pm. All are welcome. No clean time needed, just a desire to serve.

This month I have placed several free ads on the internet so hopefully the PhoneLine will be receiving calls. I am continuing to post more free ads and have begun looking into several more that may be inexpensive; I will keep the area up to date.

As of now there are ads on Craigslist, USNetADs and the Baltimore Guide.

I have contacted the City Paper and Penny Saver and am waiting to hear more information.

We continue to try to get a spot in the Dundalk Eagle and Essex Times but since these are free services we are not guaranteed a spot in them.

All the racks are filled to date.

We will be placing a literature order by the end of the month.

Budget to Date:

\$500.00- literature expense- none spent

\$250.00- monthly expenses- none spent

Try to remember that Public Information and Outreach combined committees making this the Public Relations committee and there are so many things we are interested in doing but it is impossible without more support.

In Loving Service,

Jenn B
