

Northeast Freedom Area  
Public Information Report for September

We met in August prior to Area Service.

Literature was distributed amongst members for filling current racks.

We are currently exploring more high and middle schools throughout the Northeast Freedom Area.

Essex Day was 9/19/10, we gave out some information and answered questions that people had about Narcotics Anonymous. Should we get into more fairs in the future which is what we are hoping for, we will need to purchase a bigger table. Big thanks to the volunteers that showed up for this event.

We are still looking at festivals, fairs, etc. however we have learned through Essex Day that we will need more volunteers for these community events. We will keep you all posted.

We are open for members on the committee and as our list grows of where we are placing literature, we are also open for members that can deliver the literature to the places for us.

We meet monthly prior to area service at 6pm. If you are unable to attend the meeting but are interested in serving on the committee call Jenn at 443-857-3337.

In Loving Service,

Jenn
