

Northeast Freedom Area
Public Information Report for September

We met in September prior to Area Service.

Literature was distributed amongst members for filling current racks.

We are currently exploring more high and middle schools throughout the Northeast Freedom Area. We are continuing to look into festivals, fairs, etc.

We meet monthly prior to area service at 6pm. If you are unable to attend the meeting but are interested in serving on the committee call Jenn at 443-857-3337.

In Loving Service,
Jenn
