

NEFA – Public Relations Sub-Committee Report

October 9, 2018 @ 5:45pm

Opened with Serenity Prayer & Second Tradition

Attendance: Mike D (chair), Betty M (new members) Chris S., Ronnie C, Jay D, Shannon R. & Ross R.

The Public Relations sub-committee meets on the 2nd Tuesday of each month at Graceland United Methodist Church located at 6714 Youngstown Avenue, Dundalk, MD 21222 @ 5:45pm.

Discussion:

- Discussed previous events: Essex Day was on 9/22/18 and went well. The hand sanitizer and Chap Stick seemed to bring people initially; but many picked up literature and asked questions.
- Committee members have begun drafting a flyer to be distributed to Home groups. The purpose of such flyer is to educate the home groups on the importance of “self-support” for continued NA success to carry the message to the addict who still suffers.
- Betty has contacted the school board for possible placement of literature racks and/or education about NA and its resources for the community in high schools and other sites in our area accessible by the school board; currently waiting for decision from the board.
- The committee is interested in placing ads in local papers and possibly public announcements on TV offering the toll-free number for addicts to contact NA.
- Literature order was placed to replenish inventory used during the last few months (**\$464.40**) Also ordered more hand sanitizer (**\$249.95** – miscellaneous expense)
- Mike explained the regional meeting structure & reported that the Chair of Regional would like for all areas to hold an event in the future.
- Finally, *WE ARE ALWAYS IN NEED OF TRUSTED SERVANTS* ☺

Upcoming Events:

- ✦ None at time of report

6:35 p.m. Close

In Loving Service,

Mike D.
