

Public Relations Report

9/28/2016

Subcommittee meeting was held on Sept 14, 2016, there was 4 members that attended beside myself.

I attended two community outreach fairs this month. One at dundalk high school on the 21st and another at Prince of Peace on the 24th. We did not attend the Essex Day Festival due to lack of volunteers.

We have currently 25 drop off locations and we just picked up two new places, Crisis center on Dundalk ave and DJS in Hunt Valley. We need volunteers that can do drop off currently only have one member besides myself to do drop offs, the one person only covers Dundalk area so we need for the Essex/ Middle River, Rosedale /White Marsh & Towson / Hunt Valley area. Drop off are about every 4-6 weeks as needed. Please take this back to your Hg members.

Waiting back on few confirmations about upcoming community fairs, I will keep you posted incase anyone would like to come out and participate.

Outreach - Please if your hg is struggling or you know of any meetings struggling please contact me.

We currently meet 2nd Weds. of the month on Youngstown Ave. at 5:45 pm.

Thanks

Tracy U
