

Public Relations Committee

- The PR committee meets every 3rd Wednesday of the month at Graceland United Methodist Church, 6714 Youngstown Ave in Dundalk at 5:45 pm.
- Our last meeting was held September 18, 2013, in attendance was Elizabeth, Jason and Shannon.
- We participated in Essex Day. We had support from our PR committee members and 2 other NA members that stayed the entire day to help. We had many people stop to pick up literature and ask questions. More than half of the literature placed out was taken. It was a fun, successful day!
- We will be visiting all the meetings in NEFA over the next few months beginning this week. This is to insure our schedule stays up to date with all information and to offer assistance to any group that needs it. We will be keeping record of all meetings visited and our goal is to have this done yearly.
- Last year we began the placemat advertising. We participated in 3 out of 4 quarters. November will be the next start date for our Ad to run for another quarter. As a committee we would like to know if the area would like to continue to place this Ad on placemats or not. The cost is \$626.40 from PR's budget. Please take it back to your home group.

Thank you for allowing me to serve,

Elizabeth C.
