

NEFA PHONE LINE

I attended region on February 2, 2013.

We discussed the miss calls and how to resolve the situation. I informed the committee that I will not be attending the regional meeting that will be in Ocean City in April.

On February 21, 2013, we had NEFA phone line meeting, at Dundalk Church of the Brethren. I informed the members if they are unable to fulfill their duties, they need to contact me ASAP. We voted to remove the PHLN if the call rate fell below 70% for 2 weeks in a row. The next meeting will be April 19th at the Dundalk of the Brethren at 6:30.
