

NEFA Policy Report for July 2016 ASC

July 26, 2016

NEFA Policy committee met on July 12, 2016. . The meeting was attended by Ellen S. and myself.

- The Policy discussed the document archiving on NEFANA web-site. We sent the MS Word and PDF versions of the latest NEFA Policy and Guidelines (Revised July 2015) to the NEFA web administrator. We will also include a zip folder of all our documents for the next Policy committee to be archived on the Web site.
- We coordinated with Naomi A. to complete the 2016 NEFA treasury reconciliation. She has begun the treasury book reconciliation but it will take a couple of weeks. It will be completed before the August NEFA area meeting.
- It has been an honor to serve the fellowship as members of the NEFA Policy sub-committee. During the past 2 years, the sub-committee completely revamped the Guidelines and ensured that all NEFA policies were included. This involved reviewing years of NEFA area meeting minutes. So we leave the NEFA with Guidelines that can direct the area to serve addicts who are searching for recovery.
