

RCM REPORT - NEFA

3/28/18

CAR & CAT Reports due TONIGHT. If you haven't gotten them in, you can email them to me by WED APRIL 11th at quinn_helene@comcast.net. Note your HG name & text me when you've sent it.

TALLY:

- 70 HGs listed on the sign-in sheet & 14 have submitted already. They are tallied. More to come today.
- Tally totals (3 for-5 against-2 abstentions, etc). This way we know if you feel strongly about a topic.
- All tallies will be given to RD/RDA with totals.

CAT: Please also take the time to tally the CAT.

OUR JOB - (RCM's): Area tally, Regional, & World. After all is done, we will bring back the results & share with you. I am returning all tallies back to each HG.

HG list from Area minutes & website:

I used our HG list to mark off who gave me their tallies. I cross referenced them to the website so I could go to groups that haven't given the tallies. I think we have concerns with the lists so I created the attached sheet.

- Some of the NEFA meetings are listed on Regional schedule as BALT. Some meetings are no longer in existence & some should not be listed at all.
- I gave this to our Web Administrator, Leland & will give a copy to PR, Phone Line & our Secretary.

*** Please check NEFA website to be sure you HG is listed with your info. ***

PHONE LINE FEES: Region assesses each Area by the number of HG's for our Phone Line commitment therefore it's important to be sure we have the correct info on our website & on our HG list on the minutes at Area.

REGION:

NEFA gave: \$180 for Phone Line commitment (\$60 per month: Jan, Feb, March) and a \$500 donation.

Stacey & I attended the off month Regional at the Service Center on 3/10/18. There were 7 of the 10 Areas present (missing EOB, OG, Small Wonder).

- **Minutes:** Dec minutes were updated & we will vote them in on April's meeting.
- **Checking Acnt:** Chair pointed out that we do not have enough signers on the bank account & we should consider putting the RDA on since she will be a trusted servant & move from RDA to RD upon Aug. region. I will put forth a motion, along with a few others about Policy.

RD (Craig) & RDA (Trisha): Facilitated CAR/CAT workshops & Zoom meetings. Some are not well attended. They are both going to World Conference in CA. in April for a week-long decision-making process with ALL the Regional Delegates (RDs) around the world. It is a great honor but a LOT of work. Meetings & such are ALL DAY & into the evenings. They will bring back all info & we will share with you in May. See their reports on line.

FSRCNA (Barkley): See front page of his report attached. Full report & financials on line.

- REGIONAL CONVENTION CANCELLED this year 2018 only. It was a tough decision for the FSRCNA Board to make & because of great relationships with the hotel, we were only charged \$1,000 instead of \$14,000
- Full financials were submitted
- Ross joined the Board (see new biz). We need more folks to step up to join the Board. Please support !!

Treasurer (Shelley): see written report.

- After expenses & reserves, we donated \$12,000 to World Service office.
- Area # of meetings & amount assessed for Phone Line (see her report). We discussed the charges for each Area & considered letting Region pay from our donations instead of assessing each Area.
- BUDGET: Discussed budget & planning for future.

No OLD BIZ.

NEW BIZ:

- We affirmed Ross as new FSRCNA Board nominee. Remember, we do not VOTE the decisions that the Convention makes, we merely AFFIRM.
- NEFA Retreat flyer: I advised Region about flyer, added logo symbols & sent to NEFA & FSR Web Admin's.
- Google Analytics: discussed getting to document who is visiting our website.
- Regional Web Admin: did not call in but not required to on off months. She usually calls in & since missed last month, we are hoping all is well. We will look to hear from her next month.
- ZOOM meetings: for CAR workshops: not well received. Only 4 of us on the first one.

WCNA 37 in Orlando: "The Magic Is Still Real" = 8/30 thru 9/2/18. Register now. Events are posted. You can even change items you have booked (see deadline on line).

TID BITS:

- **BACNA at NEFCNA:** RD came to me to ask why BACNA (Baltimore Convention) was turned down for having a table for pre-registration for their June convention at our NEFA Convention. Originally NEFA voted this down. We asked for reconsideration & NEFA agreed. Please remember that unity is the key & Baltimore is our next-door neighbor. We should try to work together to support each other & carry the message.
- **Together We Can:** (a local regional newsletter) please send in your anniversaries, stories & ideas
- **NA WAY:** World NA newsletter: sign up on line. It's FREE.

I will send all our tallies to Region & put in the motions as mentioned **but I will NOT be at April's full Regional.** Stacey (RCM II) will be going & taking full notes. I have a very emotional commitment that day & must attend.

NEXT REGION: Sat April 14th: 10-11 Subcommittees, 11:30-2:30 Full Regional Meeting. BALTO Service Center.

In Service,

NEFA RCM ADDED REPORT – 3/28/18

Conflict in MTGs on Website & NEFA HG list

While trying to see which meetings had CAR/CAT tallies, I went through our website & the NEFA HG list (from the minutes). I found 3 things:

- 1) Website & NEFA HG: but Regional Schedule shows another AREA
- 2) Website: has several meetings that are not on NEFA HG list
- 3) NEFA HG list has several meetings not on the website.

Please check your HG to be sure you are on the website & the NEFA HG list (in the minutes-1st page).

PHONE LINE: Each Area's FEE: Each Area is assessed a few by the number of meetings. We are charged for 78. Let's make sure our website & HG list from NEFA is updated & correct.

This info will be given to PR & Web Administrator
