

Northeast Freedom Convention Report NEFACNA-V

March 21, 2011

The convention board will have its first meeting for NEFACNA-5 on Monday, April 18, 2011. The meeting will be held at the Assembly of God at 7:00 p.m. located on Woodward and Maryland Avenue in Essex, Maryland.

Did everyone enjoy the convention this year? Would you like to see the convention continue? If your answer is yes, then please get involved! The board still has the following open positions.

1. Alternate Treasurer – 4 year clean time requirement.
2. Registration Chair – 3 year clean time requirement.
3. Merchandise Chair – 3 year clean time requirement.
4. Entertainment Chair – 3 year clean time requirement.
5. Hospitality Chair – 3 year clean time requirement.

If no one steps up and fills these positions, the future of the Northeast Freedom Area Convention will be in jeopardy! Our boards consist of 10 people and at this time, we only have 5. Five people cannot run a convention, it's just not possible. Our goal is to have new people join the convention so that when the terms of the people that are currently serving are up, the convention will go on. We also need people to join the committees to help with the planning of the convention. It's a lot of work for just one person to run a committee. There is no clean time requirement to join a committee.

A lot of the same people have been working very hard, giving up their time for the past four years to make our convention a success! Let's keep it going! Let's continue to grow! We need **YOU** to make this happen!!!

Please get involved! If we do not fill these positions soon, our only option will be to dissolve the Northeast Freedom Area Convention. We feel that it would not be a good conscious decision to sign contracts for next year with only 5 people on board.

If you know of anyone that would like to join the convention board and meets the clean time requirement, please have them come to next month's area service to be voted in.

In Loving Service,
Diana S., Chair-NEFACNA-V
