

Public Relations Committee

September Report

-The PR committee meets the 1st Wednesday of the month at Graceland United Methodist Church, 6714 Youngstown Ave in Dundalk at 5:45 pm.

- All drop locations are up to date and maintained. We will continue to maintain our current facilities.

- Essex Day was this past Sunday. We had a lot of people stop for literature. We gave away a book set that included THE BASIC TEXT, HOW IT WORKS AND WHY AND A STEP GUIDE. What stuck out most from the day, was a 10 yr old little girl who was with her grandmother who grabbed literature for her father. She said, my Dad really needs this he drinks and uses drugs. Just that alone, made the day well worth it. If we touch just one addict or one addicts family... that for me is what a service commitment is all about. I would like to say we had an overwhelming amount of support, but we did not. I cannot express the importance of service. Please get involved.

- We purchased literature in the amount of \$493.25. That covered the literature for Essex Day and will carry us into next month for drop locations.

Thank you for allowing me to serve,
Elizabeth C.
